REMARKS

Enclosed is the issue fee transmittal form containing authorization to charge the large entity fees \$1700 to deposit account 122145. The issue fee transmittal form incorrectly lists applicant as a small entity. Please note the applicant previously advised the office that the applicant is a large entity and that large entity fees had been paid. The applicant again requests updating of the office records to indicate the applicant is a large entity.

Respectfully submitted,
JACOBSON AND JOHNSON
